

YOU are not asked to go to a meeting, send money, or write letters from scratch!

YOU can help the effort from any personal computer connected to the internet from anywhere in the world.

Essentially, YOU are not being asked to go anywhere beyond the Personal Computer in front of you right now.

Here's an easy opportunity where you can make a difference by helping us turn up the volume and the noise level of support to stop the Jungo Road Landfill! While it's been somewhat quiet on the Jungo Road Landfill front; the project is still out there as we wait to wade thru the lawsuits Recology has against both the county and the individual Humboldt County

Commissioners (see links on our NAG facebook group page for articles on those lawsuits).

CALL TO ACTION!

-Share information on the Jungo Road Landfill and actions everyone can take with your friends, family, political candidates, elected officials, reporters, and editors to the paper

-To make this easy, there is a NAG brochure you can use at: [The Tri fold tab on the NAG site.](#)

-Download this file and either print it to hand out or mail, or email the PDF to people you believe need to be involved in stopping the project.

PRINTING THE BROCHURE

-You can use 8 1/2 by 11 or 8 1/2 by 14 (be sure to set up the document for the printer and pick the size paper you want to use).

-Print side 1, flip it over, and print side 2 (unless your printer, of course, allows for printing on both sides at the same time).

-Use regular or brochure style paper.

-Don't hesitate to jot a note in the margin.

.....AND BOY, HOWDY...YOU CAN PRINT AS MANY AS YOU WANT (just be sure folks recycle)!

If you get a minute, please let us know who you shared the brochure with, how you shared it, and if you have any feedback. We hope this is a communication tool all of us can use!

CONTACT LIST TO HELP YOU GET STARTED

Now, don't limit yourself to these contacts. Use your creativity to hand these out and identify others that need to be aware of the Jungo Road Landfill issue (use in place of birthday cards, leave a pile of these brochures at your favorite Winnemucca Futures meeting, or church group!).
